EDUCATION

OUR ACTIVITIES

Educational Kit Distribution

We have targeted children who dropped out due to financial issues. A General Survey was conducted by in four blocks of District Raebareli and selected more 500+ students for Educational kit support.

Counselling & Motivation Programme

On the education promotion front, counseling and motivational efforts were brought significant results. The village education committees have been activated, made aware of their roles and responsibilities and enabled to work among the people. The counseling and motivation efforts unleashed among parents has changed their mindset and improved their awareness that education could play in the lives of their children. It has persuaded the parents to send their children to schools rather than diverting them to child labour and other fruitless activities

Sensitization of School Authorities

Sensitization programme plays an important role to Improvement in the attendance of children in appropriate classes of concerned schools. Teachers and school authorities sensitized and enabled for a proactive role to the children.
