Mission Statement

The mission of Vishwas Sansthan is to work for the holistic development and empowerment of poor, deprived, and marginalized communities through participatory, sustainable, and community-based developmental initiatives. The organization is committed to improving the health and nutritional status of women, pregnant women, adolescent girls, anaemic individuals, and SAM & MAM children through awareness generation, nutrition support, health services, counseling, and linkages with government welfare programs. Vishwas Sansthan promotes education, skill development, livelihood enhancement, women empowerment, sustainable agriculture, and youth engagement to strengthen socio-economic resilience among vulnerable populations.

The organization also works towards the prevention of child trafficking, child labour, child marriage, abuse, and exploitation through awareness campaigns, community mobilization, advocacy, and rehabilitation support. Vishwas Sansthan actively promotes Yoga, Naturopathy, mental well-being, environmental sustainability, and healthy lifestyles for holistic community health and development. Through collaboration with government departments, institutions, civil society organizations, and local communities, the organization continuously strives to build an equitable, inclusive, and self-sustaining society where every individual can realize their full potential and live a life of dignity and opportunity.
