Objectives of Vishwas Sansthan

1. To improve the health and nutritional status of women, pregnant women, adolescent girls, anaemic individuals, and SAM/MAM children through awareness, health camps, counselling, referrals, and nutrition support programs.
2. To support TB patients and other vulnerable groups through nutritional assistance, health awareness, and linkage with government health services and welfare schemes.
3. To promote quality education, digital literacy, and life-skill education among children, adolescents, school dropouts, and underprivileged communities.
4. To strengthen livelihood opportunities through skill development training, entrepreneurship promotion, self-help groups, vocational education, and income generation activities.
5. To empower women socially and economically by enhancing leadership, awareness of rights and entitlements, financial inclusion, and participation in community decision-making processes.
6. To promote sustainable agriculture and allied livelihood activities through farmer awareness, organic farming practices, climate-resilient agriculture, and capacity-building programs.
7. To create awareness and promote Yoga, Naturopathy, mental well-being, and healthy lifestyle practices for preventive and holistic healthcare.
8. To prevent child trafficking, child Labour, child marriage, abuse, and exploitation through community awareness, rescue support, counselling, rehabilitation, and coordination with government departments and stakeholders.
9. To facilitate access to government schemes, social security programs, and legal entitlements for marginalized and vulnerable communities.
10. To encourage community participation, youth engagement, and leadership development for sustainable social transformation and inclusive rural development.
11. To collaborate with government agencies, educational institutions, healthcare systems, corporate bodies, and other civil society organizations for effective implementation of developmental initiatives.
12. To promote equality, human rights, environmental sustainability, and social harmony among all sections of society irrespective of caste, religion, gender, or economic background.
